1. Introduction

This handbook has been prepared to help inform swimmers and families of the Club's operations and rules. If you have any queries, please feel free to speak to any of our committee members.

2. The Club

1.1. Purpose

The Coorparoo State School Swim Club (CSSSC) provides an opportunity for children to participate in competitive swimming with a focus on skills development and personal improvement.

Our Swim Club also provides a great opportunity for parents and carers to socialise and get involved in our school community.

1.2. CSSSC Committee

The management of the club is vested in the CSSSC Committee, which is a sub-committee of the Coorparoo State School P&C Association.

The CSSSC Committee is appointed by the Coorparoo State School P&C Association. By convention, at the end of each season, the committee roles are declared vacant and members of the P&C Association nominate to participate on the sub-committee for the following season.

All members are encouraged to nominate to assist with the running of the club.

Committee meetings are held on an 'as needed' basis. If you have any suggestions for improvement of the Club's operations please contact a member of the Committee who can raise the issue at any subsequent meeting.

Any grievances with the Club's operations should be referred in writing to the Committee. The Committee's decision on management of the Club's affairs shall be final and binding in every respect.

1.3. Committee

The following positions constitute the Committee:

- President

Club nights (Friday nights) are not held during school holidays.

Timed swimmers compete in time trials on club nights over 25m, 50m or longer distances. Timed swimmers must be able to swim 25m unassisted.

“Little-Uns” participate in untimed 25m events. Older more experienced swimmers assist the younger swimmers in these events as required.

Half-season fees apply to swimmers who register for Term 1 only.

1.9. Swimming Queensland Membership

Coorparoo State School Swim Club membership **does not** include Swimming Australia (SA), Swimming Queensland (SQ) or Brisbane Swimming Association (BSA) membership fees or insurances.

Accordingly, if a member of the club wishes to participate in a SA, SQ or BSA sanctioned events; they will have to register for SQ membership.

4. Club Nights

On an ordinary club night swimmers take part in time trials over 25m, 50m or 100m, with the aim of improving their own times.

Swimmers commence with 25m events. Upon achievement of the relevant qualification time over 25m for a particular stroke, swimmers are then eligible to swim in the 50m event for that stroke (refer section Qualification Times (50m)).

Swimmers are seeded into time trials according to their personal best (PB) time rather than age, ensuring that children race against others of a similar standard.

The focus of club nights is on participation, personal achievement and improvement.

Up to two, 25 metre assisted events are also offered for beginner swimmers (“Little-Uns”). Older, more experienced swimmers are encouraged to assist the younger swimmers in these events. These events are untimed.

Please note: late nominations (after 6.15pm) cannot be accepted.

1.12. Warm-up

A warm-up period is usually allowed prior to the start of events, at the discretion of the committee. Swimmers must not enter the pool until formally advised by a member of the committee and must leave promptly when asked prior to the start of events.

Please note, swimmers must not sit or lie on the lane ropes during the warm-up period.

1.13. Marshalling

Swimmers are asked to listen to the announcer at all times and be ready to report to the marshalling area when their event is called. It is the responsibility of swimmers to report to the marshalling area in good time for their event.

If a swimmer is not in the marshalling area when called, they will be removed from the scheduled heat in order to allow for the meet program to continue on time.

1.14. Supervision / Behaviour

On Club Nights or at other events, all children are to be accompanied by a parent/ guardian or other nominated parent who remains responsible for their conduct and safety at all times. All activities are undertaken at the individual's own risk and both the Club and the Committee accept no responsibility for any injury or damage suffered while partaking in any Club activities.

1.15. Canteen, BBQ & Bar

With the assistance of club members, the Club operates a canteen on club nights that offers a range of food. Volunteers are required to operate the canteen.

With the assistance of volunteers, the Club operates a BBQ on club nights. All member families must assist with the running of the Canteen & BBQ at least once during the season.

Each week two families are rostered on to cook the BBQ. The families rostered on to run the BBQ are required to start cooking at 5:30pm so that food is available for purchase and consumption from 6pm.

The roster is available on the club's website. All families are encouraged to nominate at the beginning of the season to secure their preferred dates.

Member families are responsible for organising replacement volunteers if they are unavailable to assist when rostered.

Without the weekly assistance of club members, the canteen and BBQ can't operate.

The club also has a liquor license and operates a bar for the benefit of members. Please respect the terms of the license that require that alcohol can only be consumed in the grandstand area of the pool concourse. NO BYO ALCOHOL.

1.16. Getting involved

Club Nights is dependent on parents, carers and other family members getting involved as volunteers and supporters.

Volunteers are required for the following duties:

Canteen

BBQ

Bar

Set Up / Pack Up

Computers

Time keeping

Marshalling

Starting

First Aid

Timekeeping

Assistance is also required with time-keeping duties on club nights. Timekeepers are called for at the beginning of the club nights, and are replaced at the half-time break.

Timekeeping is very easy – just ask the person in the lane next to you!

1.17. Qualification Times (50m)

All swimmers must first swim 25m events until they meet the minimum qualification time for 50m for that stroke.

Stroke	50m qualification time
Freestyle	25 seconds
Butterfly	27 seconds
Backstroke	28 seconds
Breaststroke	30 seconds

Once a swimmer has achieved the qualification time for that stroke they are eligible to swim in the longer distance events (50m).

To be eligible to swim in a 100 metre event, a swimmer must be eligible to swim in the corresponding 50 m event, or in the case of the 100m medley - in at least two strokes. Please check with the computer crew for eligibility if in doubt.

Once a swimmer has achieved the 50m qualification time for that stroke, they are permitted to swim in that 25m event but they will no longer receive improvement points in that 25m event.

1.18. Improvement Points

Improvement points are awarded for the times achieved in each swim relative to a swimmer's Personal Best (PB). The PB is the swimmer's fastest time recorded at a Club Night, or club championship.

Time compared to previous PB	Points
NT (No Time) – first swim of the stroke/ distance	4
2.01 to 99 seconds (improvement)	6
1.01 to 2 seconds (improvement)	5
0.01 to 1 second (improvement)	4
0 to -1 seconds (slower than PB)	3
-1.01 to -5 seconds (slower than PB)	2
-5 to -99 seconds (slower than PB)	1

At the end of the season, awards are distributed for the most improved swimmer in each stroke.

1.19. Club Night Results

Results are forwarded via email following club night.

1.20. Weather policy

Club policy is that we swim “rain or shine”. The exception to this is where severe inclement weather (electrical storm) is imminent and might affect the safety of members. If cancelled, members will be advised by email.

5. Carnivals

The Club may participate in inter-club carnivals on selected Saturdays and Sundays throughout the swimming season. Carnivals are a great way for swimmers to compete at a local level, in a friendly, team environment. All Club members are encouraged to participate in these events.

The newsletter will advise on details of upcoming carnivals. Details of all Carnivals / Meets are contained in the Club Calendar on the club’s website. This calendar will updated regularly as details of upcoming carnivals are received.

Swimmers are requested to wear the club swimmers and caps at Carnivals.

Swimmers who wish to compete in Swimming Australia, Swimming Queensland or Brisbane Swimming Association events or carnivals must register for membership via Swimming Queensland (refer section Swimming Queensland Membership). Any applicable nomination fees are the responsibility of the swimmer.

6. Club Championships Meet

At the end of each season, the Club holds its Club Championship Meet.

1.21. Age Categories / Events

A swimmer’s age for the Club Championship Meet will be their age on the date that the meet is held. This is known as “Age on Block”.

Swimmers compete in the following events at Club Championships:

Event	Age Categories						
	6 yrs & under	7 yrs	8 yrs	9 yrs	10 yrs	11 yrs	12 yrs & over
Individual Strokes	25m	25m	25m	25 or 50m	50m	50m	50m
Individual Medley	n.a.	n.a.	n.a.	100m	100m	100m	200m
<i>Maximum no. of events</i>	4	4	4	5	5	5	5

Swimmers aged 9 years can elect to compete over 25m or 50m. However, for the calculation of Age Championship points, 9 year old swimmers will only receive 1 point for each 25m event (regardless of placing).

Seeding of swimmers in heats, where required, will be based on their fastest time recorded in the event on club nights throughout the season.

1.22. Club Championships Eligibility

The right to participate in Club Championships is based on the principle that a swimmer should be an active member of the club. Accordingly, to be eligible to swim at the Club Championships Meet, a swimmer must participate in at least seven (7) club nights during the season ("Participation Threshold").

For Swimmers who join for a half-season only (i.e. in Term 1), the Participation Threshold is reduced to five (5) club nights, provided the swimmer is not a member of another swimming club.

Littleuns must participate in a minimum of five (5) club nights to be eligible for a medallion a Trophy night.

To be eligible to nominate for a particular stroke's race in the Club Championships the swimmer must have sum that stroke in at least 3 regular club nights. This is to ensure they know how to swim that style competently and to avoid disappointing disqualifications.

If a swimmer has met the relevant Participation Threshold, they may nominate to swim at the Club Championships Meet. The number of swims undertaken at club nights during the season will determine the number of events that a swimmer may nominate for at Club Championships.

Total number of club nights swims*		Number of event nominations allowed
Full Season Members (8 night / max of 66 swims)	Half-Season Members (7 night / max of 32 swims)	
11 to 14 (15 - 21%)	4 to 6 (13 - 19%)	1
15 to 19 (23 - 29%)	7 to 9 (22 - 28%)	2
20 to 26 (30 - 40%)	10 to 14 (31 - 44%)	3
27 to 33 (41% - 50%)	15 to 18 (47 - 56%)	4
34 or more (>50%)	19 or more (>60%)	5

* Including Specials

The Committee will exercise its discretion in relation to determining eligibility for:

Swimmers that transition from Little-Uns status to Timed Swimmer status part-way through a season; and

Swimmers who commence swimming a stroke for the first time part-way through a season.

The Committee will also consider written applications for Club Championships participation for swimmers who have not met the Participation Threshold due to extenuating circumstances. Note, clashes with other events or commitments are not considered extenuating circumstances.

At all times the decision of the Committee is final.

1.23. Age Champions

Places are awarded according to times swum, regardless of the heat.

The decision of the championship referee will be final.

Age Champions are determined based on the number of points gained at the Club Championships Meet.

Points will be awarded as follows:

Place	Points
1 st	10
2 nd	7
3 rd	5
4 th	3
5 th	2
All other swimmers	1

7. Trophy Night

At the end of each season, the Club holds its annual Trophy Night. The Committee will advise the format of the evening towards the latter part of the season.

The following trophies and awards are presented on Trophy Night:

Participation awards

All swimmers (including Little-Uns) receive a participation award.

Age Champion Trophies

The Age Champions are determined by the number of points gained by swimmers at the Club Championship Meet.

8. Club Captains

Club Captains are selected from our swimmers and represent the club at carnivals and other events. The role of the Club Captains is to promote the CSS Swim Club, provide leadership, supervise younger children, assist with the running of the club and to make thank you speeches.

Nominations for Club Captains are typically received at the start of the new calendar year.

9. Communications

The club works hard to keep members informed of events, carnivals and other activities.

The club's website and Facebook page are the main communication channels. Please refer to these regularly through the course of the season to stay informed.

The Registrar maintains a database of member email addresses to allow distribution of the results. Please let the Registrar know if you change your contact details.

If you wish to contact the Committee, please email to: coorparooswimclub@gmail.com.

10. CPR & First Aid

So as to ensure the safe running of events, a CPR certified adult must be present before children enter the pool for warm up and be in attendance for the duration of the event. Please assist the committee by volunteering for this important role. The Club can assist parents with obtaining the necessary qualifications.

The First Aid Kit is situated in the Canteen and shall remain unlocked and readily accessible at all times when the pool facilities including canteen are in use.

11. Lost Property

The Club will not be responsible for any lost or damaged clothing or property. A lost property box will be kept for the duration of the swimming season.

12. Club Rules

The Committee reserves the right to eject any swimmer or supporter who fails to adhere to the club's rules.
